We as a company make zero guarantees on income. All past and present results do NOT dictate future results.  
Results vary based on individual effort.

*Commissions earned by Got Backup affiliates are 100% dependent on affiliates' skills, effort, capabilities and market conditions. Commissions will vary. To earn income with Got Backup, affiliates must demonstrate commitment to work and grow. Some may earn well above average. Others may earn the industry average, and some may not earn at all. Got Backup does not guarantee income or success to any affiliate.*
